

The Wisconsin Chapter of The ESOP Association 2012 Sponsorship Opportunities

Program planning is underway and sponsorship opportunities are available for the 2012.

The chapter experienced record attendance in 2011 with over 300 attendees participating in chapter events! Sponsorships play an important role in the success of chapter programs. Our goal is to continue to expand meeting formats while maintaining affordable registration fees in 2012. Your financial support through conference sponsorships will help us achieve that goal and guarantee another successful year. Please review the levels of sponsorship and associated benefits outlined below. We invite you to demonstrate your support of the chapter by responding with your commitment.
